

# Sonoma Elementary School

## Career Day!

**Tuesday, May 21**

**9:30 A.M. – 12:00 P.M.**

Sonoma School will be hosting a career day for 4<sup>th</sup> - 6<sup>th</sup> grade to focus on future career opportunities for our students. We need volunteers from our community to come and talk to the students about their jobs. If you know someone, spread the word! Guest speakers will sign in at the front office and speak to classrooms for approximately 20 minutes each. This is a great way to expose students to various careers and job levels within our community and a great way to advertise your workplace as well.

This event cannot happen without you and the support of the wonderful community! We would love to have a variety of jobs represented from the medical fields, law enforcement, transportation, businesses, entertainment, education, environmental, retail, the food industry, agriculture, and technical fields. Everyone is welcome to participate! If you are interested or know someone who is, please call the school at 574-8432, or fill out the bottom of this form and turn it into the school's front office.

Thank you in advance!
